I tried to get a comparative Statement prepared of the files of the Munsiffs at Bangalore and Mysore. But the figures given by the Chief Court are in some cases wrong and in some cases do not tally; and also, as different periods are taken for the Principal and the Addl. Munsiffs at Mysore the figures are useless for comparison.

May I request the enclosed to the Chief Court for the submission of one comparative Statement in the following form the same period being taken in the case of the Munsiffs at Mysore?
